STATE OF FLORIDA        )  
  ) ss.  
COUNTY OF BROWARD    )

JODI ARAMA, being duly sworn, deposes and states:

1. I am a plaintiff in the above-captioned derivative action (the "Action"). I respectfully submit this affidavit in support of the proposed settlement of the Action and the requested award of attorneys' fees and expenses.

2. I am a longtime shareholder of Renren, Inc. ("Renren"). I and have continuously held Class A ordinary shares and/or American Depositary Shares since July 2011 and through today.

3. I have accepted and authorized the Settlement because I believe that it is a fair, adequate, and reasonable compromise that is in the best interest of Renren and its public shareholders. I believe that, balanced against the risks, duration, and uncertainty of continued litigation, the Settlement's guarantee of meaningful monetary and governance benefits to the Company justify settling this Action on the agreed terms.

4. I also understand that Plaintiffs' Counsel are seeking fees and expenses in connection with their work on behalf of the class. I support Plaintiffs' Counsel's application for attorneys' fees and expenses. They worked on this Action for many years with no compensation

and actively litigated the Action to get the best possible recovery. I am happy with the work they did on my behalf and on behalf of Renren and its public shareholders and support their application for fees and expenses.
